EGORF 2006 in Zurich

RUGBY CLUB BERN Fossy Bears

“A Fossy Bear never walks alone”

This holds particularly true when considering the re-conquest of Zurich in the East of Bern in June of this year. “Grüezi, Gnomes!”

The Fossy Bears All Black and Red Dream Team will be participating for the first time in an EGO Rugby Festival. It's this very Festival in sight that made the old troops join again just a year ago. All of us are certified thoroughbred former RC Bern cracks. Our Prima ballerina will turn 60 this year, whereas our youngest weapon only weighs tender 37 winters.

As throughout our wilder times in the field of Rugby we will continue to proceed cautiously whilst on the pitch, in order to preserve our incredible talents for the third-half. Fun, Friendship and Fraternity – we do subscribe to!

The gone grey Fossy Bears highly appreciate the initiative taken by our mates in Zurich. We look forward to meeting the ‘European-Rugby-Crème-de-la-Crème’ on the banks of the Limmat soon.
